

NAB Show 2024

BROADCAST TOOLS, INC. FEATURED PRODUCTS

ACS 4.4 G2
4x4 Analog Stereo Matrix Switcher
4x4 balanced analog stereo matrix audio switcher with RJ45 audio I/O. Front panel, RS-232 and GPIO controllable. 16 PIP/trigger inputs, 2 relay outputs, 4 OC outputs.

List \$889.00

AES Switcher Sentinel® 2+1
Web-enabled AES/EBU Silence Monitor/Switcher
Web-enabled three channel AES/EBU switcher. Two AES inputs and one ADC input with silence/phase & AES error detection, SSL/TLS email, and SNMP.

List \$909.00

AES Audio Sentinel® 4»Web
Web-enabled Four Channel AES/EBU Silence Monitor
Web-enabled four channel AES/EBU silence/phase & AES error detector with SSL/TLS email, SNMP, and open collector alarm outputs.

List \$1,489.00

AES Switcher Sentinel® 4 XLR
Web-enabled 4x1 AES/EBU Switcher
Web-enabled four channel transparent AES/EBU switcher/router with SSL/TLS email and SNMP. Features output silence/phase & AES error detection, XLR audio I/O.

List \$749.00

ACS 8.4 G2
Stereo Audio Matrix Switcher
8x4 balanced analog stereo matrix audio switcher with RJ45 audio I/O. Front panel, RS-232, TCP/UDP Ethernet and GPIO controllable. 16 PIP/trigger inputs, 16 SPST relay outputs.

List \$1,849.00

FEATURED PRODUCTS

BROADCAST TOOLS, Inc.
35 YEARS OF PROBLEM SOLVERS

NEW

GPI-16 + G2

Serial/USB GPI/Trigger Interface

Interface 16 general purpose logic/trigger inputs to a computer's USB serial port or to an Ethernet Network via TCP/UDP socket connection.

List \$319.00

NEW

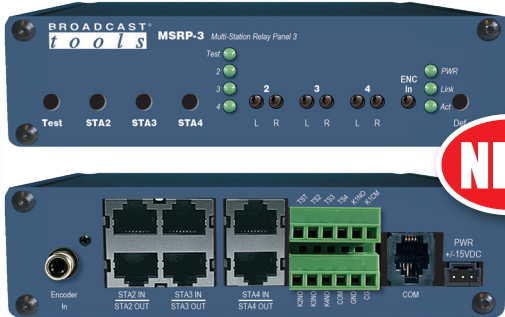

Silence Sentinel® Basic G2

Analog Silence Detector

Monitor one stereo, or two monaural, analog audio sources for silence and generate contact closure alarms when silence is detected. With pluggable screw terminal-block and standard RJ45 audio input connectors.

List \$229.00

NEW

MSRP-3

Three Station Analog EAS Relay

Three station analog stereo EAS switcher for adding stations to the Sage ENDEC or other EAS encoders. RJ45 station audio I/O, RCA alert audio in. RS-232 serial and closure control, SPST relay outputs. TCP/UDP Ethernet control optional.

List \$629.00

NEW

SS 6.1 MLR/BNC

Switcher/Router with Mechanical Latching Relays

A transparent 6x1 switcher/router with BNC connectors and mechanical latching relays. Perfect for switching MPX FM baseband or AES-3id signals via RS-232, TCP/UDP Ethernet, or contact closure.

List \$679.00

NEW

ADMS 44.22 G2

Analog/Digital Stereo Matrix Switcher

8x4 AES/Analog stereo matrix switcher. 4 RJ45 analog inputs, 4 XLR AES inputs, 2 RJ45 analog outputs, 2 XLR AES outputs. Front panel, RS-232, TCP/UDP Ethernet and GPIO controllable. 16 PIP/trigger inputs, 16 SPST relay outputs.

List \$2,369.00
